To Whom It May Concern,

In December 2004, Select Basement Waterproofing performed a miracle! I have lived in my house for almost 20 years, and I have suffered with a basement that leaked. I was skeptical of waterproofing systems, but I can tell you now, just how relieved I am to know that my basement is water free.

Select Basement Waterproofing came in on a Thursday and they were done by the next day. They installed pins, a drainage system, and re-poured the floor. The crew was efficient, thorough, and very detail oriented. **There is no more water, and I feel like I have a new basement!**

I feel very confident in recommending Select Basement Waterproofing to anyone who is considering taking the step. I found them to be responsible, very knowledgeable, and reasonable in their price. They made me feel comfortable, and confident in their work. I recommend Select Basement Waterproofing without reservation. If you have any questions, or if I can be of any assistance, please feel free to contact me.

Sincerely,

Kathryn E. Bond
